ISHR 2026

Theme: Cardiovascular Research in India:
Challenges and Opportunities

8th to 10th May 2026

JL Auditorium, All India Institute of
Medical Sciences, New Delhi

Conference Brochure

Welcome Message

The Annual Meeting of the International Society for Heart Research (ISHR), Indian Section, will be hosted by the Department of Cardiology, All India Institute of Medical Sciences (AIIMS), New Delhi, from 8th to 10th May 2026

We expect participation from over 500 delegates across India, along with more than 20 international experts, making this one of India's largest meetings dedicated to cardiovascular research. The meeting aims to provide a dynamic platform for interaction between basic scientists and clinicians, fostering collaboration across disciplines.

The scientific program will feature a device-development workshop and a wide range of interactive educational sessions, including plenary lectures, symposia, breakout sessions, and oral presentation sessions for abstracts and challenging cases.

This year's conference theme highlights innovative basic research and the development of next-generation cardiovascular devices. The program will showcase impactful developments in Indian cardiovascular research including LVADs, percutaneous valves, innovative stent platforms and Made-in-India clinical trials.

Renowned national and international faculty have confirmed participation. Engaging social evenings and warm Indian hospitality will further enrich the conference experience.

Dr. K. K. Talwar Dr. Nitish Naik Dr. Rajiv Narang Dr. Ramakrishnan S

Abstract Submission

Abstract must be submitted in English, Font size: 12 pt, Calibri font, and lines with double spacing

- The Title of the abstract should be within 25 words.
- List of authors with their highest qualification and affiliation
- Complete details (address, contact numbers, email ID) of the presenting author and corresponding author
- Category of abstract (see below)

The abstract should be limited to 300 words and should be structured with the following headings: (in bold)

- **Background**
- **Material & Methods**
- **Results**
- **Conclusions**

Do not include more than 1 table, graph, or image in the abstract (Each would be counted as 50 words).

The abstract's presenting author should be registered as a participant.

All abstracts must be original.

**The deadline for submission of abstracts is April 21, 2026 (11.59 PM IST).
Abstract received after the deadline will not be considered.**

- **It is the responsibility of the presenting author to ensure that all the co-authors are aware of the contents of the abstract.**
- **The corresponding author will be notified regarding the decision by the last week of March 2026 through e-mail.**
- **Instructions concerning the presentation of accepted abstracts will be on the conference website.**
- **The best abstract (oral/paper) in each category will be selected and presented in the awards session/oral presentation sessions.**
- **In case of any queries regarding abstract submission, contact at pamspgister@gmail.com or nirmal.cmc@gmail.com**

Categories

- **Basic CV research**
- **Clinical science**
- **Imaging**
- **Interventional Cardiology**
- **Arrhythmia and pacing**
- **CV pharmacology**
- **Cardiac surgery**
- **Artificial intelligence and computing in cardiology**
- **Mechanical engineering and device development**
- **Others**
